

## 2023 WOMEN'S SPOTLIGHT AWARD FINALISTS

**Anna Meyer, PharmD**

### Professional Bio

Anna Meyer, PharmD, is a Clinical Pharmacy Supervisor at Avera Long-Term Care Pharmacy with over 7 years of experience as a consultant pharmacist. She excels in optimizing drug therapy for the elderly in nursing home and assisted living settings. Anna's accomplishments include initiating an antibiotic stewardship program and educating long-term care facilities on federal regulations. She also operationalized a monoclonal antibody infusion program and coordinated a robust COVID-19 vaccine program for over 100 LTC facilities. In the past year, Anna participated in ASCP APEX Live: Influenza Vaccines and the Importance of High-Dose Vaccinations for Seniors and served as a panelist for "Our Best Shot: A Roundtable on Expanding Vaccine Access for Long-Term Care Residents" hosted by ASCP and Alliance for Aging Research in Washington, D.C. She actively contributes to the Statewide Antibiotic Stewardship Collaborative in South Dakota and Minnesota. Anna is a preceptor at South Dakota State University (SDSU) College of Pharmacy and an adjunct associate professor in the Department of Pharmacy Practice. A graduate of SDSU, she resides in Sioux Falls, SD with her husband, three children (4 year old twins, and newborn).
