**ARMON NEEL SENIOR CARE PHARMACIST  
AWARD WINNER**

**Scott Stewart**

**Professional Bio**

Scott Stewart received his Doctor of Pharmacy degree from Southwestern Oklahoma State University in 2010. Since then, he has worked for PharmcareUSA, dedicating his career to the senior care industry. In his 17 years with PharmcareUSA, Scott has worked as a delivery driver, technician, intern, staff pharmacist, consultant pharmacist, Director of Clinical Services, and is now the Vice President of Clinical Services.

Over his time in management, Scott has enjoyed growing a team of consultant pharmacists and consultant nurses that service the senior care setting and other specialty settings. Since his time in management, the clinical team at PharmcareUSA has grown from 10 members to now over 60 team members and continues to grow, experiencing little to no turnover.

Scott is passionate about ensuring quality education both internally and for the senior care industry. He created and implemented an internal symposium that yearly discusses many of the important topics, disease states, and challenges faced by the clinical team at PharmcareUSA. Scott has assisted facilities and facility groups in creating education and training throughout his career. He has also spoken at multiple organizations such as AHCA, CHCA, NCSLA, NCALA, Arizona Leading Age, Texas Geriatric Society, and others throughout his time in the senior care industry. He has participated in countless clinical initiatives to improve the lives of patients in the facilities served.

He is a long-time member of the American Society of Consultant Pharmacists and is passionate about helping and bettering the lives of our senior care community. He currently serves as a Board of Trustee member with ASCP and participates in many committees. He is also a member of AMDA.

Scott resides in the Dallas, Texas area with his wife, daughter, and son. Actively volunteering throughout his community with non-for-profit organizations.
