

Terri Fagan

Terri Fagan, RPh, FASCP has practiced pharmacy for over 30 years, dedicating her career to safe medication use to enable seniors to live the best, rest of their lives. She received her BS in Pharmacy from the University of Montana School of Pharmacy in 1990 and Certification in Geriatric Pharmacy (CGP) in 2005. She joined Consonus Healthcare in 2004 and serves as the Sr. Director of Clinical Services. During her tenure she has focused on improving health outcomes through early pharmacist intervention during transitions in care and highlighting the value of the pharmacist as an expert in medication management and an essential member of the healthcare team.

Terri became a Positive Approach to Care Certified Trainer for Teepa Snow in 2016 to provide supportive feedback and coaching for caregivers, to improve the lives of those living with dementia. She developed high-quality training programs for Oregon Care Partners that has been taught in all corners of the State for the last 10 years. This programming has empowered professional caregivers and families by providing them with the tools to care for seniors.

Terri has served 2 terms on the ASCP Board of Directors and has been on many committees and work groups. She contributes to her field through involvement in pharmacy organizations and advocacy efforts. Terri was awarded fellowship status for her sustained leadership and involvement with ASCP and the Foundation on a local and national level.
