

Dr. Kate Cozart, M.Ed., Pharm.D., BCPS, BCGP, BCACP, is a Clinical Pharmacist Practitioner with the Veterans Affairs Tennessee Valley Healthcare System (TVHS). She completed her B.S. in Chemistry and M.Ed. in Secondary Curriculum & Instruction prior to her “first career” as a high school math and chemistry teacher. She later returned to school to pursue a Doctor of Pharmacy degree from Union University in Jackson, TN. After completing her PGY1 residency at the Memphis VA Medical Center, Dr. Cozart moved to Nashville, TN, to begin serving Veterans within the VA Tennessee Valley Healthcare System. Her current role involves serving Veterans at the Community-Based Outpatient Clinic in Clarksville, TN, with a scope of practice in primary care, and precepting students from several schools of pharmacy. She serves as the Chair for the Preceptor Development Committee and Teaching and Learning Program for TVHS and proudly serves as a member of the Veterans Health Administration Education Advisory Committee, specifically contributing to efforts focused on Geriatrics, Diabetes, and Precepting. She is an active member of the American Society of Health Systems Pharmacists Section of Pharmacy Educators Advisory Group on Development of the Educational Workforce with interests specifically in impostor phenomenon, well-being, and resilience, and recently she was appointed as one of the inaugural ASHP Well-Being Ambassadors for 2022. She is also very excited to be speaking at this year’s ASCP Annual Meeting on the topic of Fighting for Resiliency.
