

Make an Impression at the ASCP 2022 Residency & Fellowship Showcase

NOV 5, 2022

1. Self Reflect Before You Go: What are your career goals? How can this program help you meet these goals?

2. Do your homework: Review the program website and come prepared with questions that are not answered online.

3. Make a plan: Prioritize programs you want to talk to first. Also visit those programs you did not consider. You just might be surprised!

4. Dress to impress! This is your time to shine! Wear the suit, break out the blazer. Just keep it business professional.

5. Be Professional and Kind: Respect everyone's time including your fellow students. If you are not connecting with a program, politely move on to the next booth.

6. Take Notes! Write down conversation points immediately after you leave the booth. Take a business card and use the back to take notes as an easy way to stay organized.

7. Send Thank You Emails: Get contact information and send thank you emails within a week of the showcase, even if you don't plan to apply to their program.
